Mac OS X 10.7.4 Lion / QuickTime 10.1
Mac OS X 10.8.1 Mountain Lion / QuickTime 10.2
```

<NOTE>

- For playing back clips on the P2 card, P2 Driver is required to be installed separately. Please download and install it from our website.
- For playing back AVC-Intra clips, AVC-Intra Decoder is required to be installed separately. Please download and install it from our website.
- Some conditions of the personal computer may cause dropped frames, black or white screen, or intermittent audio dropout in playing back footage.
- For using this Software on Windows, QuickTime is required to be installed. Please download and install it from the website of Apple Inc. Version 7.7.2 is confirmed to work with this Software.

2. Installation

When installing this Software, please refer to Chapter 2.1 for Windows and Chapter 2.2 for Macintosh.

2.1. Installation Procedure (for Windows)
